

HSHS Flower Sale Details

Greetings everyone! Spring is officially here and the HSHS Girls Crew Flower Sale is now in effect thru April 11, 2017. This is a really EASY way to work off your crew fees. One half of all flower sales go directly to your rower's account to reduce program fees.

Here is how it works:

- 1) Use the Flower picture sheet and the 2017 Flower Customer Order Form to ask neighbors, teachers, friends and family for flower orders. You will notice there are repeat customers because they like the flowers that much!!!
 - a) Use the Customer Order Form attached or found on the website. Make sure you put your name and phone number where it says "Rower's Name"
 - b) Put the customer name and phone number where it says "Customer Name"
 - c) Mark off quantities and totals. You keep the order form.
 - d) Collect the payment (cash, or check payable to: "HSHS Girls Crew")
 - e) Hand the customer a THANK-YOU RECEIPT (found below) that reminds your customers when flowers will be delivered by you on May 13, 2017. Please write in the rower's name and phone number.
- 2) Orders are due April 11, 2017
 - a) We usually have a CREW meeting where everyone can bring in their flower orders and get their credit and pay any left-over fees around April 11th. Keep your eye out for that meeting invite.
 - b) Rowers will use the 2017 Flower Order Summary Sheet (included in this packet and on the website) to tally up all of their flower sales, please double-check your numbers. This single sheet is handed in with your money/checks. Make sure all checks have the selling rower's name and phone number on it. Take a picture of this sheet with your phone, so you have it as a reference.
 - c) Rowers keep the individual customer order forms and use them on delivery day when delivering flowers to customers. On delivery day, I will hand you back the summary customer form with your flower order. Two years ago it rained so the summary forms fell-apart in the rain, hence the need for a backup copy on your phone.
- 3) Pickup day.
 - a) Pickup day is May 13th as stated on the order forms in the HSHS parking lot from 10:30 - 11:30 am.
 - b) It is the rower's responsibility to deliver all flowers.
 - c) If you sell more than you can transport (which I hope...), you can have your customers meet you at HSHS, but delivering the flowers is still your responsibility. Contact me directly before May 13th, and I can tell you how this can work.

Remember! The flowers arrive Mother's Day weekend (May 13th). If you want to volunteer to help setup the flowers, contact me directly.

Any questions? Ask Betty Kelly at any race. I am usually found behind the grill, or text me your question to 609.369.0335.

Go Spirit Go!
